### Students from UGent to UNamur

UGent students take the courses listed below. Note that they don't take the courses "Introduction to Global Economic History" and "Banking and Finance" (which are programmed in the second year of the Bachelor's in Economics in Ghent), and replace them by the courses "Public Finance" and "Development of Economic Thought" (which are scheduled in the third year of the Bachelor's in Economics in Ghent). They will study "Money and the financial system" and "Histoire économique et sociale" in the third year in Namur.
